COMMODORE'S COMMENTS

I'm taking a small break from vacation while on the train from Florence to Rome to write this month's Commodore's Comments out using my iPhone - so this month's note will be short and sweet.

While I've been having a great time taking in all things Italy has to offer and having Liz enjoy the city for the first time, a lot has been happening back home. The snow we received this week is likely my fault for mentioning last month how spring was on the way. Sorry about that. This time I'm serious, spring is coming, and with that means pier work. There will be an official email from pier committee chairman Derek Rupp when we have a weekend set, but please come down and help.

The Sea Scouts chili cook off was last weekend and from what I have heard it was a great event. Thank you to everyone that entered a chili and congratulations to Lilli and Eric Zufelt, this years winners, as well as Bear and Denise Ristow for podium finishes. Also thank you to everyone that stopped down and tried the chili and/or bought a raffle ticket. This event is the biggest fund raiser for the scouts and the proceeds allow them to continue to operate. Ship 50 is one of the oldest and last remaining Sea Scout troops in the area.

We are still in the process of talking to members interested in stepping into the rear commodore role. If you have an interest please let myself, Brad, or any other board member know.

We will have our Easter brunch along with activities for children and a special visitor - please make your reservations if you have not done so already.

Fair Winds and Ciao!

Commodore Jason

From the Helm

First of all, to all the members who missed the March membership meeting, the meeting was business as usual. But Mark and Kathy Michelson, and Bob Ballschmider did an outstanding job on the lunch with turkey on the grill.

By the time you read this, Jim Curry will have put in one or two Saturday work parties on the piers. Per Jim, the work will continue every Saturday until finished, weather permitting.

On a similar note Kevin Werner has formed an alternative plan for boat launching at our yard if the water level is too low for normal boat launching.

Congratulations go to the Kohler/Reichelsdorfer presentation on America's Cup race. Hans Graf has a few more worthwhile programs in the next few months. Watch the Bow 'n Stern for details.

We have a race schedule and the sailing instructions are on the way.

29 March 03, 16:00 - 19:00, the Sheboygan Youth Sailing Club's Silent Auction is being held at the SYC, a fun event for a good cause.

"The essence of a good seaman is one who can, in accordance with the old definition, "hand, reef, and steer" - one who knows what he's doing about the boat, and does it enthusiastically, while anticipating what he might need to do next."

OUR CLUB'S HISTORY

by David Hillebrand

We all associate sailboat racing with the club, but the year 1946 marked the first annual Outboard Races, an event which the Sheboygan Yacht Club was to host for 11 years until bad weather and the falling profit margin combined to cancel it.
