

## The Sheboygan Yacht Club June 2020

### Commodore's Comments

It's been a long spring to say the least, but just like that the temperature has changed and we're right into summer. The club is finally open after ten weeks of shutdown. Thanks again to all of you who supported the club by utilizing the carry out dining. We are slowly opening the club and Sean and staff have worked on arranging the furniture to safely accommodate our members. If you choose to keep personal distance on the grounds, food

and drinks can be phoned in and will be delivered to you.

Our members are truly amazing in how they have helped out the staff over the past couple months, from care packages to gift cards, every little bit has helped. Kori, our office manager, has truly stepped up during the shutdown and ventured into areas that she probably did not expect to. She has not only managed the finances, but she turned into the human resource expert we needed by researching how to get us through this mess. Chef Benjamin has managed the inventory extremely well, keeping costs down and offering some unique menu items along the way. It turns out that Chef also has a green thumb and has planted his victory garden to the south of the club. Sean has put in countless hours researching and following the everchanging guidelines on how to run the operation safely with regard the members and employees. Please take time out to thank Kori, Chef and Sean; they are doing a fantastic job.

The yard is beginning to empty out and were starting to see our docks come to life. Please come down and use the club as the weather starts to get warm; the deck, pavilion, and grounds are the perfect place to personal distance and enjoy the weather.
