## Commodore's Comments

Summer is here and what a summer it has been. We hosted the Lightning Youth Worlds the second week of July and it was a great success. While we had fewer teams than were originally predicted when we were going to host this event in 2020, it was fantastic to bring championship sailing back to the club. I want to thank the members, volunteers, and staff for making it happen, as well thank SEAS and Sail Sheboygan for organizing this world-class event.

Independence Day is a highlight of the social season at SYC, and this year Mother Nature had to shake things up a bit. During the day of the 4th we had amazing conditions, and the club was full of people enjoying the best view in the city. Unfortunately, the weather did not cooperate for the fireworks that night, and the city postponed one day for safety reasons. Another big shout out to the staff for coming together on July 5th to make sure the members were able to celebrate and enjoy our club.

I was happy to be invited aboard NorthStar for a challenging Chicago-to-Mackinac race, where we were proud to place third in our class. It is also great to hear the stories of other members who also sailed the Mac aboard different boats. SYC members also crewed on boats that sailed the Hook, 100 Miler, as well as Bayview Mackinac. I've said it before, but it is amazing

the number of high-quality sailors we have at our "small" club.

Finally, on a business note, I would like to remind everyone to pay your statements promptly. While we are in a good financial position, we do however need to be diligent with our cash. Please pay your bill promptly when you receive it or better yet, please set up your account on autopay.

Fair Winds,

Commodore Jason

## Commodore's Comments

Ahoy y'all,

Bet you couldn't tell that my 2 sisters and their families from Texas just left after spending the long 4th weekend visiting here. They were most happy to be out of the heat (?) for a few days and, of course we spent a lot of time at the club "chillin".

So much has happened over the past few weeks that I'm sure to leave something or someone out by mistake. The race to Manitowoc was wonderful for the weather and partying. According to our volunteer race committee of John VanDer Puy and Bob Gauger it seems there were numerous Ric Larson sightings around Manitowoc. Be sure to ask them about the Limo ride home!

The following weekend was the BUSY one with the whole world of boating descending upon the SYC. The Burromasters honored our club by presenting us with a trophy in appreciation for the 25 years of hospitality to their group. Some tidbits from their booklet: this year the 1000th burromaster stepped ashore in Sheboygan, they've spent over \$200,000 in the community, and about 50 different boats have made the crossing. These sailors from the Holland, MI area sure have a good time and this year had a big banquet here. By the way, they were raving about the good food. Thanks, guys!

We also hosted the Lightning class Midwest District Championship and Dan Reichelsdorfer finished 2nd and we were 3rd. Thanks to all who helped make this big weekend a rousing success.

The 3rd and 4th were also BIG days at the club with a record number of servings on Wed, (3rd) for Venetian night and of course the 4th turned out great as usual. I think we ought to make John Siminow "forever" Entertainment chairman. He has another fun event planned for August with a great band "Black and White". Look for details elsewhere in the B&S.

Now for all of you heavily invested in the stock market: If you bought a \$1000 worth of Nortel stock 2 years ago, it could now be worth \$49.00. If you had bought \$1000 worth of Budweiser (the beer, not the stock) one year ago, drank all the beer, then traded in the cans at a redemption center for the nickel deposit, you would have had \$107.00.

Given the current conditions of the market, my advice is to drink heavily and recycle.

At the August membership meeting we will be voting on a new by law amendment creating a financial committee. Come and express your opinion. Also, the nominating committee which consists of Tim Gabrielse, Brad Gruneberg, Jerry Katt, John Siminow, and Dr. Phil DeTrana will be presenting it's slate of candidates for the 2002-2003 year. It is an honor to be asked to serve and I hope that you will say yes if asked.

Parting thought: Don't assume malice for what stupidity can explain.

See ya round the club,

Ric

P. S. Please take note at how bright white & clean the outside of our club is. Thanks to Paul Reak who brought down a power washer and single handedly cleaned the whole thing.

## SYC Club Hours

Club Closed Mondays

Tuesday

Bar - 4:00 pm

Dinner - 4:00 pm - 8:00 pm

Wednesday

Bar - 11:00 am - Close

Lunch - 11:30 am - 1:30 pm

## About the Cover

**COVER:** The Harken Blockheads Lightning Youth Worlds took place on July 3rd through July 9th. This photo, captured by Douglas Wake, captures a single moment of the competition that took place outside the Sheboygan harbor.

**OPPOSITE:** The Venetian Boat Parade on the Sheboygan River.

## New Merchandise Available

A substantial amount of new merchandise is now available at the Club. You will find a wide variety of T shirts in multiple sizes and colors in the case. We have labeled the shelves with the size for those shirts. We ask that if you go through the shirts to pick that favorite color that you keep the sizes consistent and as neat as possible to make it easier for others that will be looking after you. There are many new hats and some very fun new sweatshirts. We have taken many of the Winter items and tucked those away and we'll get those back out in a couple of months. Our goal will be to move some of this merchandise before we put in another order. Please note that the merchandise and the availability of specific items changes on a constant basis it's we are always looking to fulfill request that we get, but please understand in some cases items may be discontinued. Hope you find something fun for you and your family and let's rock our Sheboygan Yacht Club Merchandise. As always if you have questions you can contact Beverly or Cathy

## Arts and Craft Show

We are one month closer to the Yacht Club's first Arts and Crafts Show on September 18th from 1-4PM. Please mark this date on your calendars so you can experience the talent presented and beauty of hand-crafted items, made lovingly by our own Yacht club families: jewelry, pictures, vases, woodworking projects, ornaments, and more. If you are interested in having a table at this event, please contact Marie Larson 920-946-2872 or Diane Lambert 920-912-7116 for details.

Right: Speaking of new club merchandise and apparel, Peter Mayer and others felt that Commodore Diener's shirt seemed a little tight on him after the membership meeting and asked for volunteers to swap shirts. A few dollars were wagered and Kenny Ebbers was more than happy to step up. The pictures speak for themselves. Clearly each of them now have better fitting shirts. Photos courtesy of Kelly Schmidt

## The Venetian Boat Parade

2022 Venetian Boat Parade held on July 3rd was a great success!! Thank you to all who participated and joined in this fun event!! A special thanks to Dawn Vertz and the Yachting Activities Committee for organizing the event as well as all five judges who were throughout the parade route that voted for Dawn Vertz's boat to win! Oh wait, disregard that last sentence. After further review by the editorial staff, all judges were clearly impartial. Some didn't even know Namara was owned by Dawn.

- 1st: NAMARA (Patriotic)
- 2nd: Motor boat with "wiggle man" on the front
- 3rd: Girl Crush (Packers/Football)

Drone Pictures are provided courtesy of Gulls Eye View. <https://www.facebook.com/gullseyeview>

## A Blast From the Past

At a special Board of Directors meeting on July 24, 1941, then Commodore Royal Fenn was authorized to draw up preliminary plans for a permanent pier, utilizing steel sheeting, fill and a concrete cap. Before plans could be finalized, America was plunged into World War II and steel became a precious commodity in the war effort. Pounding sheeting for the pier was an ongoing project which went on in "fits and starts" from 1942 to 1956 as funds were available. War-time steel shortages delayed completion for several years, and increasing water depths—beyond the capacity of Club equipment—resulted in hiring a commercial contractor to complete the bulwarks.

# Terry Kohler Inducted into the National Sailing Hall of Fame

Terry Kohler was always thinking about ways to do things better. He was a champion sailor and served as a jet pilot in the United States Air Force. Kohler was a proud graduate of the Massachusetts Institute of Technology (MIT) and used his engineering knowledge to revolutionize sailmaking for the sport of sailing. He was also a generous philanthropist for causes he believed in, especially in sailing. Kohler said, "My primary strength at MIT was my mechanical engineering degree and my Master's Degree from the MIT Sloan School of Management. My expertise was information technology and computers and how they can be and should be applied in business." Kohler acquired North Sails from Lowell North in 1983. The company became the largest sailmaker in the world. North Sails used advanced technology to create 3DL sails built on molds. Terry Kohler is being inducted into the National Sailing Hall of Fame for his lifetime of achievement in the sport of sailing.

Kohler owned the Vollrath Company based in Sheboygan, Wisconsin that makes food service products. Both his father and grandfather served as Governor of the State of Wisconsin. As a racing sailor, he skippered several offshore racers that won the Chicago to Mackinac Island Race and he competed in the Canada's Cup defense trials. Kohler could see from first hand experience that handicap rating rules needed to be improved. He was instrumental in founding and supporting the Sailing Yacht Research Foundation. His background in sail research and design, and working on sailing performance advanced the knowledge base of naval architects and sailors working to create faster yachts.

The 2012 Olympic Games in Great Britain added a women's match race discipline to the roster of events. Kohler was instrumental in activating the Women's International Match Racing Association. He donated a fleet of boats, the Elliot 6 Meters (20.2 feet LOA), for training and racing at a sailing center (Sailing Education Association of Sheboygan or SEAS) adjacent to the Sheboygan Yacht Club on the west shore of Lake Michigan. In 2021 author Jon Helminiak wrote Kohler's biography. The book is titled, "Inverted Climb." It is a fascinating read about how Kohler used his experiences to spring board from one endeavor to another.

Terry Kohler provided a 74 foot power yacht multihull that served a dual role as an hospitality boat for North Sails customers and managers and a platform for the broadcast commentators for the 2000 and 2003 America's Cups in Auckland, New Zealand. At the time I

**Terry Jodok Kohler**  
**May 14, 1934 - September 20, 2016**

was a partner with the Sunfish-Laser Company. Terry's company Windway was the majority shareholder. I noted at the time that I got to see his brilliance every time we spoke. He always had good ideas. He wasn't a micro-manager; he let his people run with their ideas. Terry would check in and provide helpful updates. He was able to draw from his experience as a pilot, sailor, engineer and manager to make things better.

~Gary Jobson - National Sailing Hall of Fame

# Sea Scouts

Our scouts decorated their Cape Cory for the Venetian Night Parade then towed Boy Scout Troop 801's Dragon Boat entry. As you recall, some scouts from Troop 801 have been involved in our winter canoe building program for several years.

On two Monday nights, July 18<sup>th</sup> & 25<sup>th</sup>, Girl Scouters joined us for time on the water! They are girls from Boy Scout Troop 6001, an American Girl Troop chartered by First United Lutheran Church. They used our Kayaks and Stand-up Paddle Boards while our scouts were out on our Laser sailboats. Our Boston Whaler safety boat with two counselors kept close watch on our guests.

## Northstar Takes Third in Division

Congratulations to Team Northstar for taking Third Place in the Cruising 1 Division of the CYC Race to Mackinac. The crew included Jason Diener, Paul Bartelt, Greg Farrell, Danielle Kohler, Logan Pond, Michael Eickhoff and Jesse Freier.

## Lightning Youth World Championship

CAMPEÕES MUNDIAIS!! Brazil wins the 2022 Harken Blockheads Lightning Youth World Championship held July 3rd through the 9th here in Sheboygan. Thanks to all the members that helped make the competition a great success. For more excellent pictures, Check out the pictures provided by Douglas Wake: [Medora Media](#)

## The Friendliest Yacht Club on Lake Michigan

Come and experience what everyone is talking about; from the incredible cuisine and one of the best views on the eastern shore to a place that is the home to some of the most experienced and friendliest sailors on the Great Lakes. Our members will engage you whether your interests are sailing, yachting, learning and sharing maritime knowledge, or simply great camaraderie. Make the SYC your portal to the sea, from easily accessible docks, just steps from your car, you are just minutes away from open water.

Through our affiliation with the U.S. Sailing Center of Sheboygan, one of only four U.S. Sailing Centers in the United States, the Sheboygan Youth Sailing Club and Sea Scouts, we have played host to Olympic training events, The Nation's Cup, Single Handed Sailing competition and have access to a wide array of equipment with power and sail boat education and training opportunities.

Contact the club to get a brochure, arrange a visit or request a one-time one day pass.
